WELCOME TO

Ventura County Coast

Welcome to Ventura County Coast, where off-site meetings fulfill that unique combination of professional development and off-site team choices at an affordable cost. Just up the 101 freeway, about an hour's drive from Los Angeles, Ventura County Coast offers miles of historic beaches, historic downtowns, golf, shopping, award-winning wineries and farm-to-table restaurants while featuring over 200,000 square feet of conference and meeting rooms and more than 5,000 guest rooms in 60 hotels and inns.

Meeting rooms can accommodate groups from 10 to 1,000 guests and come in a variety of venues – beachfront, historic, full-service hotel conference centers, or for small groups or events, a more intimate environment. Many of the hotels offer midweek rates designed to attract groups, and there are plenty of off-hour options and team-building choices from golf and kart racing to chartered boat tours and beach activities.

Each of the cities that make up Ventura County Coast has its own unique personality, but all share a near-perfect climate, small-town hospitality, and a few hidden gems for your meeting and event guests to enjoy.

**So meet, eat, play – and meet again
in Ventura County Coast.**

Fifty-acre Hueneme Beach Park offers expansive beaches, sand volleyball, a beachside promenade and one of Southern California’s hottest end of summer beach bashes, the Hueneme Beach Festival.
